

„Kromer Bar“

Story

Like the entire hotel, the bar in the **Hotel Weisses Kreuz** has a long and traditional history behind it. It is named after **Josef Theiner**, who was a **travelling grocer** at the time and bought the Weisses Kreuz in 1871.

From an inn to a wine bar, the hotel has always evolved and was already a popular meeting place for locals and guests back then. The bar business began around 1969, when the **Mozartkeller** was opened - a dance bar that lived up to its name. A lot has happened since then and the bar has changed its location several times.

But then as now - the Kromer Bar is a place of cosiness, hospitality and enjoyment!

Black Tie 2cl / 4cl

Cuba Rum Meets PX L. E.

A taste adventure combining Caribbean rum and aged Pedro Ximénez sherry. Inspired by Caribbean specialties—tobacco, cocoa, and, of course, rum—Black Tie Rum presents itself like a fine cigar.

40-year-old Caribbean rum is refined in the distillation bubble with Pedro Ximénez sherry, whose origins date back to 1830. The result is a harmonious interplay of sweet and salty nuances, accompanied by notes of chocolate and tobacco. A balanced interplay with a concentrated texture.

„You should stop when it's at its best...”

Christoph Keller, master distiller at the Stählemühle distillery, also came to this decision after more than 15 years in the distilling business. Thus, 2018 marks the end of the story of a man who stumbled upon an old distilling license by chance—and discovered his passion for fine spirits in the process...

Today, Stählemühle spirits are among the best in the world!
